Subject: Clandestine Laboratory Analysis and Synthesis - C201

To Whom It May Concern:

I was interested in taking the Clandestine Laboratory Analysis and Synthesis - C201 scheduled for April 9 -13th, 2012 in Sacramento, Ca. I am currently employed by the Department of Public Health -Drug Analysis Laboratory. I am eager to attend this course to further my knowledge in drug analysis.

I would like to know if you still have any space available for this course?

Thank you in advance for your assistance and time.

Sincerely,
